Seventh Accounting Research Workshop

June 10-11, 2011 at the University of Fribourg, Switzerland

The next Accounting Research Workshop will take place at the University of Fribourg (Switzerland) on June 10-11, 2011. The purpose is to promote the exchange and discussion of state-of-the-art research in accounting. We invite papers analyzing issues in Managerial Accounting, Financial Accounting and Auditing from an economic perspective. The focus of the workshop is on papers that use economic modelling. Empirical and experimental papers testing economic models are also welcome.

As in previous years each accepted paper will be assigned a discussant.

Possible Topics

- Performance measurement and incentive design
- Transfer pricing and budgeting
- Corporate governance and executive compensation
- Financial disclosure, earnings management and cost of capital
- Economics of financial reporting and standard setting
- Economic consequences of accrual accounting
- Economic roles of auditing

Please visit the conference website www.arw-suisse.ch for any further information.

Keynote Speakers

We are glad to announce, that the following accounting scholars have agreed to act as keynote speakers for the conference
